

Songbook

Lutheran Church of the Resurrection

Small Group Ministries

By Christoph Lameter

This Songbook is a special collection of Songs for our congregation.

In contrast to other songbooks, this one is a growing one, hopefully including all our favorite songs.

This Songbook is designed to be expanded!

If you would like to have your favorite songs included then please contact Christoph at the office (818) 348-4266 or type the text of your song with Guitar chords above it – as you see it already printed in the following pages -- and send it via e-mail to christoph@lameter.com. From time to time we will add more songs to the end of the book.

It is written:

Sing a new Song to the Lord,
Because he has done marvelous things.

Let the flame burn brighter #14

We will walk the land

1. We'll walk the land with hearts on fire;
And every step will be a prayer, Hope is rising, new day dawning;
Sound of singing fills the air.

2. Two thousand years, and still the flame is burning bright
across the land. Hearts are waiting, longing, aching,
For awakening once again.

Refrain:

Let the flame burn brighter in the heart of darkness,
Turning light to glorious day,
Let the song grow louder as our love grows stronger,
let it shine!
Let it shine.

3. We'll walk for truth, speak out for love;
In Jesus' name we shall be strong,
To lift the fallen, to save the children,
To fill the nation with Your song.

Sent Him to die - I scarce can take it in.
That on the cross my burden gladly bearing,
He bled and died to take away my sin:

And take me home - what joy shall fill my heart!
Then shall I bow in humble adoration,
And there proclaim, my God, how great Thou art!

A Mighty Fortress

G D D7 C a C C a G C a D7 C
A mighty Fortress is our God A bulwark never failling;
D D7 C a C C a G C a D7 C
Our helper He amid the flood of mortal ills prevailing:
e C A D7 G e D e
For still our ancient Foe, Doth seek to work us woe!
D C D7 a D7 C a D7 a C e
His craft and power are great, And armed with cruel hate,
D7 C G C a D7 G
On earth is not his equal.

2. Did we in our own strength confide,
Our striving would be losing;
Were not the right man on our side,
The man of God's own choosing;
Dost ask who that may be? Christ Jesus, It is He;
Lord Sabaoth His name,
From age to age the same, And he must win the battle.

3. And though this world, with devils filled,
Should threaten to undo us;
We will not fear, for God hath willed
His truth to triumph through us;
The Prince of Darkness grim, We tremble not for him;
His rage we can endure,
For lo! his doom is sure, One little word shall fell him.

4. That word above all earthly powers,
No thanks for them, abideth
The Spirit and the gifts are ours
Through Him who with us sideth;
Let goods and kindred go, This mortal life also;
The body they may kill;
God's truth abideth still; His kingdom is forever, Amen.

What a friend we have in Jesus

What a privilege to carry Everything to God in prayer!

G C F C d7 G7
O what peace we often forfeit, O what needless pain we bear,

C F d7 C G7 C
All because we do not carry everything to God in prayer.

2. Are we weak and heavy laden, Cumbered with a load of care?
Precious Savior, still our refuge; Take it to the Lord in prayer.
Can we find a friend so faithful, Who will all our sorrow share?
In His arms He'll take and shield thee, Thou wilt find a solace
there.

people in my heart.

2. I, the Lord of snow and rain, I have borne my people's pain.
I have wept for love of them. They turn away.
I will break their hearts of stone, give them hearts for
love alone.
I will speak my word to them. Whom shall I send?

3. I, the Lord of wind and flame, I will tend the poor and lame.
I will set a feast for them. My hand will save.
Finest bread I will provide till their hearts be satisfied.
I will give my life to them. Whom shall I send?

3. In the middle ages of your life, not too old, No longer young, I'll be there to guide you through the night, complete what has begun. When the evening gently closes in and you shut your weary eyes, I'll be there as I have always been with just one more surprise.

Even though a war surrounds me you are always near.
One thing I have asked of you that I will seek for sure
Is to live in the house of the Lord.

You'll conceal me in your tent or set me on the height.
Now my head is lifted up above the storms of night,

A Ship that's called the Church of Christ

Ein Schiff, das sich Gemeinde nennt, faehrt durch das Meer der Zeit.
Das Ziel, das ihm die Richtung weist, heisst Gottes Ewigkeit.
Das Schiff, es faehrt, vom Sturm bedroht, durch Angst, Not und Gefahr,
Verzweiflung, Hoffnung, Kampf und Sieg, so faehrt es Jahr um Jahr.
Und immer wieder fragt man sich: Wird denn das Schiff bestehn?
Erreicht es wohl das grosse Ziel? Wird es nicht untergehn?

Bleibe bei uns Herr! Bleibe bei uns, Herr, denn sonst sind wir allein auf der
Fahrt durch das Meer. O bleibe bei uns, Herr!

1. The ship that's called the Church of Christ,
Sails through the sea of time.

The aim that shows the ship the way is God's Eternity.

The ship sails on through mighty storms through dangers, fears and needs,
Despair and Hoping, Fight and Triumph, it continues year by year.

And the question is asked again and again: Will the ship survive?

Will it reach the great goal? Will it not go down?

2. The ship that's called the Church of Christ,

Is often staying in the port,

Because it is more comfortable to live in safety and quietness. One enjoys the
glamor of past glories and is not ready for the call to take off today. But who
fears danger and suffering will not experience God in full.

Only he who dares to take the risk on will reach the great goal.

3. In the ship that's called the Church of Christ,

There needs to be a crew, otherwise one is lost on the long way and alone.

Everyone stands, where he stands, and does his duty, if he does not faithfully do
his task the whole enterprise will be doomed. And what is fusing the crew on the
ship tightly together in faith, hope and expectancy is God;'s good spirit.

4. In the ship, that's called the Church of Christ,

One asks the other: How do we find the right course for the voyage through the
great big sea? One says this and the other one that, talks are long and frequent
and thus -- shortsighted as one is -- we move away from the destination. But
there, where one is fleeing the loudness and enjoys listening and silence, God
will surely show the right way.

4. The ship, that's called the Church of Christ,

Sails through the sea of time.

The destination that shows the ship the way is God's eternity.

And if the loneliness is threatening us, if fear is overcoming us: Many friends are with us on the same course. This will encourage us, we are not alone. Thus the ship after a long voyage will finally reach God's port.

Refrain:

G6 D7+ G6 f# h
Stay with us Lord. Stay with us Lord,
e h A G7+ A D7 F#7 h
otherwise we are alone on the way through the sea. O stay with us, Lord.
